

KENYA RURAL ROADS AUTHORITY BOMET REGION

ADDENDUM No. 1

ADDENDUM DATE: 31ST OCTOBER, 2024

We refer to the tender advertisement notice dated 30th October 2024 on our notice board and KeRRA website for Maintenance works for FY 2024-2025

The Kenya Rural Roads Authority (KeRRA) Bomet Region, wishes to inform interested bidders on the following:

1. It is **erroneously** indicated in the Tender Data Sheet (TDS) Clause 8.1 that there is Mandatory Pretender site Visit in all the tender documents contrary to other instruction in the documents.

We wish to clarify that interested bidders are requested to familiarise themselves with the site before tendering (within the first 10 days of the notice) as indicated in clause 2 in the tender notice and in Section III, Table 1 clause 10 in the tender document hence no specific date for pretender site visit.

2. The road name in Tender No. **KeRRA/008/BMT/039/2-41-24|25-017** has been erroneously indicated in the tender notice as **Kibanjalal - Lelechwet - Kenene – Kamungei (Kampira) Road (G712570)**. The Correct road name is **Kibanjalal - Kipomut- Kapchereren Road (G712570)** as indicated in the tender document.

All Interested bidders are required to continually check the KeRRA website www.kerra.go.ke/tenders for any tender addendum or clarification that may arise before the submission date

Regional Director
